CONTRACT AGREEMENT

That in consideration of the mutual covenants to be kept and performed on the part of said parties, the Party hereby agrees that it shall:

THIS AGREEMENT is made this .....day of .....20.....BETWEEN

ST. JUDE'S FOOTBALL ACADEMY a Nigeria Company registered under the Company and Allied Matters Act with Reg. Number RC-802467.

AND

Prospective Player (_____)

Full name of player

1. REPRESENTATION

Player hereby retains the academy to act as player's sole and exclusive representative for the next forty-eight (48) months to represent and counsel player in all prospective communications with professional FOOTBALL/SOCCER clubs throughout the world and in the all business affairs related to Player's status as a professional footballer or as an amateur for international football trials.

2. COMPENSATION FOR SERVICES

The academy shall seek receive a fee of thirty percent (30%) of the compensation, which includes salary and signing bonuses received by player from any contract entered into with any professional football/soccer clubs throughout the world and a fee of twenty percent (20%) of the endorsement and promotional compensation received by player from any contract throughout the world related to player's status as a professional football/soccer player in which negotiations, advice or counseling for such contracts are begun or completed over the next forty-eight (48) months.

3. GENERAL TERMS

(a) Player acknowledges that the academy may engage professionals and other licensed agents to fulfill certain terms of the agreement.

(b) This agreement shall be construed and interpreted according to Nigeria law and the academy shall have the right to enforce this agreement in any country, territory, state or other municipality that the academy deems appropriate.

(c) This agreement may be executed via facsimile and in counterpart, and a copy of the executed agreement shall serve as an original.

(d) The player concedes the risk of personal injury due to participation in athletic events such as those offered by the academy. The academy has Authority to have photographs of the player taken which may be used for advertisement purposes; this includes but not limited to audio and video.

NOTE: Player understands that a physical examination is necessary to assess their continuing fitness for the essential functions of the academy. In consideration for the academy's desire for a safe work environment and for the player's safety as well as the safety of fellow teammates, players must give their consent for the academy to conduct the physical examinations it considered necessary. The academy has the right to ask questions of the examining medical personnel, and has the right to receive a copy of the written evaluation concerning fitness to perform the essential duties of the potential players. Player has the right to stop the exanimation at any point, but such an act may jeopardize the status of his enrolment in academy.

Player authorizes the laboratory or medical personnel retained by the academy for the physical examination to release the results to the academy for whatever use the academy deems appropriate. Further, player releases the laboratory or medical personnel conducting the examination, the academy and the academy's employees, director, officers, and successors from any liabilities, result from this physical examination and no action shall be taken against the Academy.

4. REGISTRATION FOR EUROPE/ASIA TRIALS AND AUTHORIZATION

(a) The academy is detailed to organize football travels every 5-6 months to Europe and Asia. Respective player must pay non-refundable registration and participation fee as required by the academy or partners/organizers of any of the international football programs the academy may wish to participate.

(b) Whence the Football Trials is to be held outside the country, the player must apply for the Visa of the organizing country.

(a) The player by necessary implication request(s) authorize(s) the academy to act and perform as the agent in the procurement of the visa(s) without liability as the granting of visa(s) is entirely up to the discretion of the issuing embassy or consulate. The responsibility for the accuracy of the information contained in the visa application form is solely that of the player.

5. HEALTH INSURANCE

(a) Health Insurance for Immigrants is mandatory for all participants which shall cover him in the event of injury.

(b) Players must understand that their participation requires a significant amount of physical activity and / or physical activity of a difficult nature.

Player must provide proof of insurance before he can be admitted into any of the international football events.

6. VISA

For all international football events, players must obtain a valid visa to enter the concerned country. The academy will not be responsible for attaining, nor the issuance of any forms of country visas. Visas are a mandatory component before any player will be allowed to enter the concerned country. The academy will not be held responsible for any business transactions with the embassy. Visa(s) will be obtained through the Embassy, and the player is solely responsible for all fees that they may incur during the process. Decision upon visa applications falls within the competence of the consuls, neither the academy nor local administrators may take decisions on applications.

7. COUNTRIES FOR TRIALS AND SELECTIONS ON TRIALS

The player agrees that only the Academy has the sole right to choose a country for trials. The player understands that during any football trials the selection decision falls within his playing ability and competence, neither the academy nor its employees can take decisions for the player's selection during the trials in Europe or Asia.
